

RNA Club 2009

NOT ONLY BIOLOGICAL CONFERENCE ON RNA

October 30th 2009, Brno

PROGRAM:

Different aspects of RNA biology: regulation of gene expression, noncoding RNAs, miRNAs, dsRNAs, transcription, pre-mRNA splicing, RNA quality control and degradation, structural analysis of RNAs and protein-RNA interactions.

Plenary lectures:

Dr. André Gerber, ETH Zürich: Post-transcriptional gene regulatory networks

Dr. Gernot Längst, Univ. Regensburg: Chromatin remodeling and gene expression

The one-day conference will be ended by a get-together party.

Registration and more informations at:

http://www.biologicals.cz/conferences/index.php?conference_id=8

!!Registration deadline September 30th 2009!!
