

RNA Club 2010

THE RNA WORLD
COMES TO ČESKÉ
BUDĚJOVICE

Call for abstracts for day meeting not only about RNA

General Information

Time: Friday 5th November 2010

Place: Philosophy Faculty Building
University of South Bohemia
České Budějovice, Czech Republic

Registration Deadline: 15th September

Registration Fee: 350 Kč

Web: http://www.biologicals.cz/conferences/index.php?conference_id=10

Contact: Hassan Hashimi (email: rna_club@natur.cuni.cz)

Keynote Speakers

Dr. Jernej Ule
MRC Laboratory of Molecular Biology
Cambridge, UK

The interplay between the RNA-binding proteins and the non-coding RNA elements.

Prof. Frédéric Allain
ETH Zürich,
Switzerland

Insight into RNA splicing and editing mechanism from the NMR structures of protein-RNA complexes.

RNA Club Awards

Prizes for best contributions from student and post docs (contest rules on web site):

- Registration fee and travel expenses for RNA 2011 Meeting in Kyoto, Japan
- Two 2011 memberships to the RNA Society
