

EMBO Workshop

The programme for this event was reviewed and approved by the EMBO Course Committee.

Bacterial cell division: Orchestrating the ring cycle

14 - 17 September 2016 | Prague, Czech Republic

ORGANIZER

ORIETTA MASSIDDA

Dept of Surgical Science, Sect. of Anatomopathology and Microbiology, University of Cagliari, IT

CO-ORGANIZERS

PAVEL BRANNY

Institute of Microbiology, Academy of Sciences of the Czech Republic, CZ

WALDEMAR VOLLMER

Institute for Cell and Molecular Biosciences, The Centre for Bacterial Cell Biology, Newcastle University, UK

REGISTRATION

Registration deadline & abstract submission deadline

31 MAY 2016

Payment Deadline

20 JULY 2016

Student/Post-doc350 EUR

Academic450 EUR

Industry600 EUR

SPEAKERS

Thomas Bernhardt

Dept. of Microbiology and Molecular Genetics, Harvard University, Medical School, US

Tanneke Den Blaauwen

Swammerdam Institute for Life Sciences, University of Amsterdam, NL

Yves Brun

Dept. of Biology, Indiana University, US

Jeff Errington

Institute for Cell and Molecular Biosciences, Newcastle University, UK

Beate Henrichfreise

Institute for Medical Microbiology, Immunology and Parasitology University of Bonn, DE

Juan Hermoso

Dept. Crystallography & Structural Biology, Inst. Química-Física "Rocasolano", CSIC (Spanish National Research Council), Madrid, ES

Rick Lewis

Institute for Cell and Molecular Biosciences-Newcastle University, UK

Martin Loose

Institute of Science and Technology Austria, AT

Jan Löwe

MRC Laboratory of Molecular Biology, UK

Joe Lutkenhaus

Dept. of Microbiology, Molecular Genetics & Immunology, University of Kansas Medical School, US

William Margolin

Dept. of Microbiology and Molecular Genetics, University of Texas Medical School, US

Mariana G. Pinho

Instituto de Tecnologia Química e Biológica, Universidade de Nova de Lisboa, PT

Manjula Reddy

Centre for Cellular and Molecular Biology, CSIR, IN

Nina R. Salama

Division of Human Biology, Fred Hutchinson Cancer Research Center, Seattle, Washington, US

David Sherratt

Department of Biochemistry, University of Oxford, UK

Henrik Strahl von Schulten

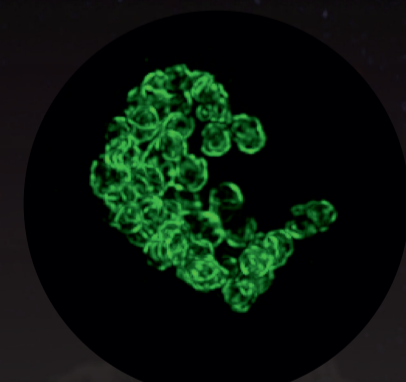

Institute for Cell and Molecular Biosciences-Newcastle University, UK

Miguel Vicente

Centro Nacional de Biotecnología, CSIC, ES

Malcolm Winkler

Departments of Biology and Chemistry, Indiana University, US
